Greetings!

Relax Concierge would like to add your business to "Relax Concierge Recommends", a guide to recommended businesses at the Jersey Shore. Our guide includes a range of businesses and service providers such as realty offices, restaurants, shops, spa services, childcare, event planners, photographers, cleaning professionals, attractions and more.

Relax Concierge enhances Jersey Shore vacations by providing premium rental items and personal services. For rental items-we offer 100% Egyptian cotton sheets, towels, beach gear and more. For services-we offer grocery delivery, bed making as well as personal shopping. All rental items and services are delivered direct to vacation rentals at the Jersey Shore.

It is our goal to make our guests stay similar to a stay at a hotel or a fine resort. In addition to rental items and services, we provide our customers with free recommendations to area businesses. By providing recommendations, we truly hope guests spend more time relaxing than planning and managing their vacation.

We publish our guide of recommended business on www.relaxconcierge.com for shore towns listed on our Locations page. We also include a blog post for each shore town at relaxconcierge.blogspot.com. From time to time, we also post recommended businesses on Twitter and Facebook. In addition to online exposure, we provide a guide of recommended businesses with all orders and provide recommendations by phone.

If you would like to be listed in our guide, please fill out the attached form and send back to us. We ask for a reasonable 10% commission for every referral we send to you.

We ask our customers to let our recommended businesses know Relax Concierge sent them. If our recommendation is provided directly to customers, we follow up after guest vacations to ensure they were satisfied with our recommendations.

Please visit www.relaxconcierge.com or can also call us at 609-601-5077 for more information.

We look forward to hearing from you soon. Thank you!

Sincerely,

Erin Visalli
